### Week 1 Discussion: Introduction to the Course and Classmates

Hello everyone! My name is Michael. This is my first semester at Ventura College, and I am excited to start this journey with you all. Recently, I volunteered at a local animal shelter, where I helped take care of the animals and assist with adoptions. My perfect job would be to work as a marketing manager for a tech company, combining my passion for technology and creativity. My favorite app is Instagram because I love sharing photos and staying connected with friends. One unique thing about me is that I can speak three languages fluently—English, Spanish, and French!
