## Week Seven Discussion: The "Write" Question

**Sample Questions**

- Compare and contrast the two primary crime data sources used in the United States,
- How might the culture of a criminal justice organization impact reform? Might the culture protect misconduct?
- First, list and describe the main assumptions of Robert K. Merton's Theory of Anomie. Then, using this theory, explain why, in your view, white-collar crime occurs/exists. Please defend your "supported" view regarding this question fully.
- What is peacemaking criminology, and how is it used in today's criminal justice system?
- What is one of the most pressing issues in criminal justice today that highlights the need for ethical behavior?
