1-1 Discussion: Introduction

Hi everyone, my name is Alex. I am absolutely thrilled to be a part of this course and I can't wait to get to know all of you. I am originally from Toronto and currently reside in the USA.

I am particularly interested in this course because I have always been captivated by the criminal justice process and its profound impact on society. I am eager to delve into the intricacies of law enforcement, the judicial system, and rehabilitation methods. This course will undoubtedly provide me with a comprehensive understanding of these topics.

I am pursuing a degree in Criminal Justice at APUS. My educational journey has been driven by a passion for justice and a desire to contribute to positive societal change. I aim to complete my bachelor's degree and eventually pursue a master's degree in criminal justice.

My career aspirations lie in the field of forensic psychology, and I see this course as a pivotal step in my professional journey. I am committed to acquiring the knowledge and skills necessary to excel in this field, and I believe this course will provide me with the foundation I need to achieve my goals.

I'm eager to hear about your own experiences and perspectives on the course material. Please don't hesitate to reach out if you have any questions or simply want to chat. Let's build a supportive and engaging learning community together!

Peer Responses

For full credit, I also expect you to respond to at least two classmates so we can all get to know each other and make everyone feel welcome.

Response 01

Hey, nice post, Alex! It is great to meet you! Your background and aspirations in criminal justice are inspiring. Your passion for justice and desire to contribute positively to society shine through in your introduction. Pursuing forensic psychology sounds like a fascinating and impactful career path. This course will be a valuable step towards achieving your goals. I look forward to learning alongside you and seeing where your journey takes you!

Response 02

Responding to peers is vital to the LSTD 503 discussion posts. We need to provide at least two peer responses. I have provided one example post. You can write your peer responses keeping the above points in mind.
